Letter No.677 dated Chickballapur, 15/23rd April 1932, from the President, Town Municipal Council, Chickballapur, to the Deputy Commissioner, Kolar District.

I have the honor to state that small dilapidated building and a vacant site measuring 1265 sq.yds adjoining the same were purchased by the Municipality at a cost of Rs.1,500/- from one Mr.C. Narayanaswami Chetty seven years ago for extending the compound of the bullock shandy.

2. This place was not made use of by the Municipality for the intended purpose and the site allotted for holding the bullock shandy previous to the purchase of this new site and building was found to be ample. The building has no roof and the wells are in a dilapidated condition.

3. The Council at their meeting held on 1st February 1932 resolved to sell the vacant site and the building for the construction of decent houses thereon. Accordingly, the properties were notified for public auction on 22-3-1932. At the time of the sale of these properties, the people in the neighbouring locality represented that the public passage formed on the site should be reserved and the entire land sold in small cottage sites facilitating the poor people also to purchase sites and build houses thereon. The representation of the people was reasonable and hence the dilapidated building together with a vacant site measuring 76' x 43' was put to sale and the same was knocked down to V.Chikkavenkatarayappa, the highest bidder for Rs.600/-.

3. The remaining portion of the vacant site will be divided into small cottage sites and sold by public auction. It is hoped that the sale proceeds of these small sites together with the amount now realized by the sale of the dilapidated building and a vacant site measuring 76' x 43' may come up to more or less equal to the amount spent for the purchase of the entire site and building by the Municipality.

4. The council have at their meeting held on 25th March 1932 confirmed the sale.

5. As the amount now realised is a fair price for the site as compared with the present market rates, I request you to kindly obtain sanction of Government to the resolution of the council

confirming the sale under Section 42 of the M[illegible]

6. Copy of the resolution of the Council confirming enclosed for reference The previous records as per index also as
